Dear Mr. Hickey:

Thank you for serving as a faculty member at the 2007 AAJ Annual Convention in Chicago last month. We appreciate the effort you put into speaking at this convention and recognize the time you took from your busy schedule to serve the members of AAJ.

We have heard many positive comments about the education programs at this convention and would very much like to receive your input and suggestions as well. If you have not already submitted evaluations for the programs you attended, please forward them to me as soon as possible. You have a unique insight into this process and we would appreciate your assistance as we strive to improve future programs.

Faculty credits will automatically be added to your National College of Advocacy transcript. If you wish to file MCLE credits for your teaching minutes, please contact your state CLE board. They will provide you with the paperwork to be filed directly with your state bar.

Thanks again for sharing your information and expertise. Because of your dedication, AAJ is able to offer its members pertinent continuing legal education programs. If I can be of assistance, please feel free to call me at (800) 424-2725, extension 368 or e-mail me at carol.green@justice.org. We look forward to working with you again.

Sincerely,

A handwritten signature in cursive script, appearing to read "Carol Green".

P.S. A complimentary recording of your presentation will be sent to you shortly.
